The Screwshaft Survey and Modified Survey of
the Oil Engine became due last August.
27th November, 1930.

Dear Sirs,

I beg to acquaint you that I am advised by this
Society's Surveyors at Buenos Aires that they are in receipt
of a letter from your Superintendent stating that it is not
your desire to retain the classification of your tug "PATO REAL"
in the Society's Register Book.

The case came before the Committee for their
consideration today and I am directed to acquaint you that,
in the circumstances, they have given instructions for this
vessel's character to be withdrawn from the Register Book and
three dots (...) inserted in lieu thereof, indicating withdrawal
of class at Owners' request.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

Messrs. Compania Argentina de Lanchas,
