LONDON

Dear Sir,

I duly received your letter of the 30th September advising the despatch of four photostats of the original plans of the above vessel.

These plans have now been handed to the purchasers who inform me that it is their intention to continue her classification with this Society after she is imported, and in view of this the usual charge of ¥10 per plan, i.e. ¥40, has been made. This amount will be credited to the London account, and you will be duly advised, by letter, when it is collected.

I am, dear Sir,

Yours faithfully,
