NEW YORK MAR 29 1930

Dear Sir,

BARGE "PEDRITO".

I am in receipt of your letter of the 14th instant, in reference to the above named craft, contents of which have been noted.

For your information I beg to advise you that the following repairs were effected whilst the vessel was on the slip here last month :-

One patch, 20" x 30" inches on plate C.I.

28 - new rivets put in.

40 - old rivets tightened.

15 feet of seam caulked.

Bottom cleaned and wire brushed and given two coats anti-corrosive and anti-fouling paint.

Stem, stern post and rudder found in good condition. Propeller blades slightly pitted at the ends. Tail shafts not below requirements.

Yours truly,
