

COPY.

14th April, 1905.

Sir,

S. With reference to Glasgow Reports No.22670 on the new steamer "QUEENIE", I have to acquaint you that the Committee have had before them to-day the first entry report on this vessel from the Society's Surveyors at Barrow, and that they have assigned to her the class of 100A1 (Steel) with notations of Lloyd's A.& C.P. and L.M.C. 4,05.

This vessel app I am, Sir,

Yours and the approved of Your obedient servant,

Secretary.

T.J. Dodd Esq.,

GLASGOW.
