12th January, 1920.

Dear Sirs,

I have to inform you that the S.S. "OMEGA",  
Messrs. The North of Ireland Shipbuilding Co's No. 89,  
is proceeding to your port from Glasgow, and in order to  
complete the survey for classification, the auxiliary  
means of steering by relieving tackles requires to be  
tested.

I shall therefore be glad if you will give the  
matter the necessary attention and on completion of the  
work to your satisfaction, to forward a report on Form No. 8  
with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CARDIFF.
