Dear Sirs,

Nos. 325 & 326

We duly received your letter of 14th. inst. advising us with regard to the requirements which will require to be met for the classification of the above vessels. We forwarded a copy of same to the Owners and have this morning received a letter from them, copy of which is enclosed herewith, in which they ask us to inform you that it is their desire to have 7 bulkheads fitted to the Upper Deck and one additional bulkhead to the second or Main Deck. We trust this will now put everything in order.

Yours truly,
FOR CAIRD & COMPANY LIMITED.

Paterson.
