Dear Sirs,

"STAD AMSTERDAM".

We enclose copy of letter, which has reached us from the Netherlands Committee, from Lloyd's Register of Shipping.

You will notice that this states there was no request for survey.

In your letter to Mr. White of 21st Decr. you mentioned that you had requested Lloyds to inspect the vessel with a view to change of class and we await to hear what actually took place.

We would be very much obliged for your early news so that we may reply to the Netherlands Committee.

Yours truly,

SIR R. ROPNER & CO. LTD.,

DIRECTOR.

Kindly return the enclosed correspondence.
