LETTER FROM:

THE NEW YORK SURVEYORS.

ORIGINAL WITH

"S."

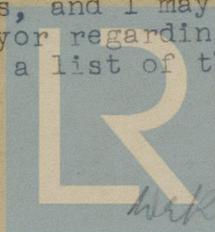

VESSEL'S NAME:

S.S. "STEEL AGE." X

The amendment to the Minute in this case is also agreed to, and I am awaiting a reply from the Baltimore Surveyors to an inquiry addressed to them regarding the matter of the heavy weather damage sustained to the four shell plates which had to be renewed.

I am obliged for your remarks, and I may say that I have written to the Saint John, N.B. Surveyor regarding the matter of the fees and have furnished him with a list of those applying in this country.
