Surveyors.....

NAME Stl. T. Sc. Dredger "NO.350". Report          Lon.          No. 95714A.

**For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.**

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Survey          When due         

The 3rd S.S.No.1 will become due 12,30.

The Dunedin Surveyor now states that he has received a letter from the Owners to the effect that they have decided not to have the usual survey for classification in Lloyd's Register carried out this year while the vessel is in Port Chalmers for overhaul.

It is submitted action be deferred, and the Surveyor requested to forward the Owners' letter and to state definitely whether the Owners desire to dispense with the vessel's classification with this Society.
