Secretary,

Lloyd's Register of Shipping,

LONDON.

Dear Sir,

DREDGER "MEGOHM"

With reference to my Reports of Survey Nos. 573 & 574 on the Hull and Engines of Messrs. The Burmah Oil Co's new Dredger "Megohm" forwarded to you by the mail of the 27th. Ultime, I beg to inform you that the vessel's name is MEGOHM and not MEGOHN as erroneously stated in the Reports.

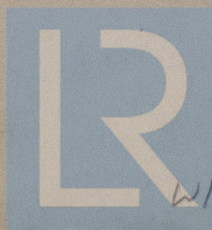

I regret very much having made this error and would be obliged if you will, under the circumstances, kindly have the name of the vessel corrected on the Reports.

I have corrected the Reports issued by me to the Owners at this end.

I am, Dear Sir,

Yours faithfully,

P. P. Taylor
Surveyor to Lloyd's Register.
