Sir,

SUCTION DREDGER "MEGOHM".

In reply to your telephone message of this afternoon,  
I have the pleasure in advising you as follows.

The Certificate of Survey, nine Anchor Certificates  
and six Wire Rope Certificates were sent to our friends in Burma  
on 23rd June last. There is no doubt that these papers have  
been received by our friends, and by next week's outward mail we  
request them to present the Anchor Certificates, etc. to your  
office for endorsement as necessary.

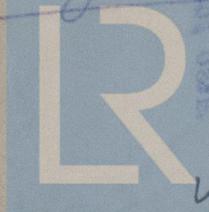

We confirm that the vessel is fitted with complete  
arrangements for burning heavy oil fuel on the Wallsend-Howden  
jet system.

Yours faithfully,

FOR THE MANAGING DIRECTOR

THE BURMAH OIL COMPANY, Limited.
