Sirs,

SUCTION DREDGER NO.490.

We are in receipt of your letter of 9th instant in which you  
pose the question of the re-erection of this Dredger under the  
provision of the Society's Surveyor at Rangoon. We have al-  
ready instructed our Rangoon friends that the Dredger should be  
detached under your survey, and we shall be obliged if you will  
communicate with your Surveyor in Rangoon to this effect. We  
will reply by to-morrow's outward mail advising our friends of your ap-  
proaching us upon this matter and reminding them of instructions  
which we gave them some time ago.

Yours faithfully,

we gave them some time ago.

The first of these is the fact that the  
 Government has been unable to secure  
 the necessary funds to carry out its  
 policy of non-interference in the  
 internal affairs of the country. This  
 has been due to a variety of factors,  
 including the lack of a stable  
 financial system and the absence of  
 a strong central authority. The  
 Government has also been unable to  
 secure the necessary funds to carry  
 out its policy of non-interference in  
 the internal affairs of the country.
