5th August, 1927.

Dear Sir,

With reference to Glasgow Report No.46813 on the new Steel Single Screw Suction Dredger, Yard No. 490, built by Messrs.Fleming & Ferguson, Ltd., it is noted that this vessel has now been dismantled for shipment to Rangoon, where she is to be re-erected.

I shall, however, be glad if you will be so good as to endeavour to ascertain from the Owners' representative whether it is intended that this work shall be carried out under the supervision of the Society's Surveyor at Rangoon with a view to the classification of the vessel upon completion.

I am, Dear Sir,

Yours faithfully,

Secretary.

he Secretary,

GLASGOW.
