Lloyd's Register of Shipping.

Port OF RANGOON,

20th. February 1928.

This is to Certify that

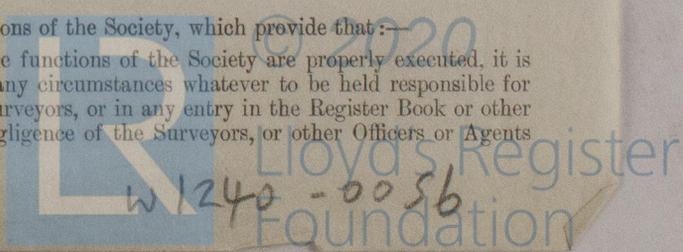

R. P. TAYLOR,

the undersigned Surveyor to this Society did at the request of Messrs. The Burma Oil Co. Ltd., survey the steel single screw suction Dredger "Megohn" whilst undergoing re-erection at Dalla Dockyard, the vessel previously having been constructed at home, taken to pieces, and shipped out to this port. The re-erection of the vessel has been completed to my satisfaction and the requirements of the Society's Rules fulfilled. I will therefore report to the Committee of Lloyd's Register of British and Foreign Shipping, London, accordingly and will recommend that the vessel be classed ~~A1.~~ A1., 2-28 in the Register Book.

Received Survey Fees Rs. 211/-

R. P. Taylor

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
 "While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
