The Boiler Survey, due 8,30, requires to be completed by the holding of the Donkey Boiler Survey.

The Genoa Surveyors have forwarded a letter from the Owners from which it appears that for reasons of economy they have decided not to maintain this vessel's classification.

The Classing Committee had the case before them on Friday, 10th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

16th April, 1931.
