Received from Chief Ship Surveyor

VESSEL'S NAME *Stt. S. S. "City of Madrid"* Report *Bel.* No. *5296*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Signature of Surveyor

*First entry*

It is submitted that before this case reaches the consideration of the Committee, the Surveyors should have their attention directed to the deficiencies in the weights of the 1<sup>st</sup> and 2<sup>nd</sup> broken anchors, and in view of the same they should be requested to explain why they have recommended the vessel as eligible to have the figure 1 for equipment.
