Dear Mr. Leeuwenburg,

I am favoured with your letter of the 7th instant, regarding the case of the steamer "LEIDJE", and I am very pleased to note the result of the inquiry carried out by the Shipping Council into the circumstances of this vessel.

Your further letter of the 10th August, enclosing a copy of an article, with translation, which appeared in "Het Algemeen Handelsblad", has also come to hand.

Thanking you for your attention,

Yours faithfully,

R. Leeuwenburg, Esq.,
