Dear Mr. Leeuwenburg,

I am favoured with your letter of the 10th instant, forwarding a brief translation of the report in the newspaper "Het Algemeen Handelsblad", regarding the inquiry before the Shipping Council on Thursday last into the case of the steamer "ANDIJK", and I note that you will advise me of the conclusions arrived at as soon as they come to your knowledge.

Thanking you for your attention,

Yours faithfully,

R. Leeuwenburg, Esq.,

ROTTERDAM.
