The Secretary,

LONDON.

Sir,

With reference to the First Entry Report (Barrow Rpt. No 1768) forwarded to you today, on the Ferro-Concrete steamer "Armistice", I shall be glad to know what fees should be charged for the installing of the Machinery.

It will be noticed that £3-13-0 has already been charged on the Engines, £5-0-0 on the boilers, which leaves £2-6-0 remaining to be charged, the M.H.P. being taken at 73.

I shall be glad to have your instructions.

I am, Sir,

Your obedient Servant.

John Houston
