10th July, 1953.

Dear Sirs,

(H). I am in receipt of your letter of the 2nd instant respecting the Steamer "ALSTERTON", the contents of which have been noted, and with regard thereto I have to acquaint you that in view of the fact that this vessel is now over thirty years old the Committee will not agree to the Special Survey being postponed for twelve months. However, in order to assist the Owners as far as possible they will be prepared to grant a six months deferment provided the vessel is submitted to a satisfactory General Examination, in accordance with Circular No. 1959, about the due date of the Special Survey, i.e. September next.

I shall be glad if you will inform the Owners and arrange accordingly.

With reference to the last paragraph of your communication I think it well to inform you that the Boiler Survey of this vessel does not become due until December next.

Yours faithfully,

Clerk to the  
Classification Committee

Surveyors,  
BURG.
