Ans.....

Dear Sir,

Steamer "ALSTERTOR".

We have received a request from the Owners of this vessel Messrs. Fisser & v. Doornum asking that the special survey due in September next be deferred for one year or one half year.

The Owners state that they make this request in view of the present very unfavourable position of the freight market and because they have a possibility to employ the ship to good advantage.

We have requested the Owners to state what arrangements they can make for carrying out the Boiler Survey which is now overdue.

Yours faithfully,

W. Macmillan

For the Surveyors.

The Secretary,
London.
