Dear Sirs,

24th March, 1947.

Steam Trawler "DEVERON"

We beg to acknowledge receipt of your letter of to-day's date making formal application to have this vessel submitted for Reclassification.

We submitted your case, by telephone, to the Head Office in London for their approval, as the vessel had been out of classification for some years, and we were instructed that it would be necessary to carry out a General Examination of the hull and machinery in the meantime. As a General Examination was not practicable, in view of your intention to get the vessel to sea tomorrow, no action has been taken at this time.

Yours faithfully,  
The Surveyors,
