

-R 1931

sc.k. "DEVERON". London 95990a.

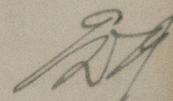

The Boiler Survey became due in June last, and the screwshaft survey in March 1930.

The Grimsby Surveyors now forward a letter from the Owners in which they state they desire to withdraw the vessel from classification.

IT IS SUBMITTED the vessel's class be withdrawn from the Register Book, and three dots inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw class.
