Dear Sir,

With reference to your letter of the 23rd. ultimo respecting the steamer " Valhall " I have to-day received a copy of a letter to you from the owners dated 31st. December.

In this connexion I beg to inform you that 4000 tons of cargo has so far been loaded.

The owners telephoned to me on Tuesday 29th. ultimo and informed me that the vessel was to be sold in China and they did not wish the class to be discontinued.

I advised him to cable you that he agreed to have the Boiler survey and the general examination carried out at Havre but evidently he has not done so.

I am, Dear Sir,

Yours faithfully
