27th November, 1931.

Dear Sir,

With reference to your letter of the 15th ultimo and previous correspondence relative to the steamer "CAMBRIAN DUCHESS", I have to acquaint you I am informed by the Society's Surveyors at Newcastle that this vessel is still laid up at that port, and that they have not yet received any information regarding the carrying out of the overdue surveys.

In the circumstances I shall be glad if you will ascertain and let me know what definite arrangements have been made for the 2nd Special Survey No.2 and the Boiler Survey to<sup>be</sup> held. I shall also be glad to learn what steps are proposed to be taken to have the screwshaft survey which is now due held.

I am, Dear Sir,

Yours faithfully,

J.A. Eide Esq., Esq.,

BERGEN.
