Dear Sir,

With further reference to my letter of the 10th. October respecting the S/S "Cambrian Duchess," I beg to confirm my cable sent on Monday from Stavanger as follows:-
"Cambrian Duchess" owner will inform me next week respecting surveys."

I called on the owner Mr. V. Skogland when at Haugesund yesterday. He informed me that the vessel is now classed by Det Norske Veritas but he intends to maintain the vessel's class in this Society. He expects to go to Newcastle shortly and will then call at the Newcastle office to make arrangements for the requisite surveys.
