QUESTION.

ANSWER.

Date:— 8th October 1931.

With reference to my letter of the 3rd July last addressed to the Receiver & Manager, a copy of which was forwarded to you, I should be glad to learn whether the vessel is still laid up. You will observe that the next draft survey will become due at the end of this month.

C. J. P.

This vessel is still lying in the Tyne but we are informed that she has been sold to Mr. W. Skogland, of Haugesund. It is understood that the new Owner, who is not at present in this district, proposes to withdraw the vessel from the Society's classification and to class her with the Norwegian Veritas. We further understand that the steamer is to be re-named "VALHAL".
