

COPY.

19th February, 1931.

In consideration of the classification of the steamers "CAMBRIAN DUCHESS", "CAMBRIAN MAID" & "CAMBRIAN PEERESS" being allowed to remain undisturbed in the Society's Register Book for the present whilst they are laid up, I undertake that, while in my ownership, before these vessels proceed to sea the overdue Boiler Surveys and all outstanding repairs will be carried out.

In the event to my selling the vessels I undertake to inform intending purchasers that their classes are allowed to remain subject to this condition.

The Secretary,

LONDON.
