On the 26th July the Receiver and Manager to the
 William Thomas S.S. Co. wrote:-

"This steamer is at present under arrest by creditors
 in Antwerp Docks and I shall be glad if it can be
 arranged for the Special Survey of the Boilers to be
 postponed until it has been settled what action the
 Belgian Courts decide upon with regard to this steamer"

and in the circumstances the Committee deferred consideration
 for a time.

The Receiver and Manager now writes:-

"The steamer "CAMBRIAN DUCHESS" is still under arrest
 by creditors in Antwerp Docks and I hope it can be
 arranged for the Special Survey of the Boilers to be
 postponed for the present".
