Dear Mr Scott,

With reference to the London & North Eastern Railway Company's decision to withdraw their Steamer "MARYLEBONE" from class, of which I understand they notified you direct by yesterday's mail, I think it well to advise you that I have interviewed Captain Man., C.M.G., R.N., their local Steamship Manager, on the subject. This gentleman informed me that as they had not succeeded in their efforts to sell this vessel, he expected that she would be eventually broken up, and for this reason they did not wish to continue the class.

Yours faithfully,

W. G. H. Kenning
