Sir,

With reference to our Report No. 73308 on the steamer "DOR" forwarded to-night, we shall be glad to learn what fees will be charged for the classification and damage surveys in this instance. It will be observed that an inclusive fee of £105 is suggested in respect of the Hull in addition to the ordinary fee of £4:4:0 for freeboard, forty one visits having been made on the vessel. In the case of the Machinery 39 visits have been made.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
