

8 JAN 1932

s. s. "ELIE CHENEVIERE"

The Boiler Survey became due in 9,31.

In reply to enquiry the Amsterdam Surveyors enclose a translation of a letter received from the Owners, in which they state that it was their intention to have this vessel built under survey, but not to continue the class subsequently.

The Owners conclude that there has been a misunderstanding in regard to this matter and confirm that it is not their intention to continue the vessel's classification with this Society.

IT IS SUBMITTED the vessel's class be withdrawn from the Register Book, and three dots inserted in lieu thereof, indicating withdrawal of class at Owners' request.
