A letter has been received from the Society's Surveyors at Sydney, forwarding one from the Owners of these three trawlers, from which it appears that, for reasons of economy, it has been decided to withdraw the vessels from the Society's classification.

The Classing Committee had the cases before them on Tuesday, 22nd instant, when they decided to give for the vessels' characters to be withdrawn from the Book and three dots (...) inserted in lieu thereof, in case, indicating withdrawal of class at Owners' request.
