Dear Sirs,

I beg to acknowledge the receipt of your letter of the 11th instant relative to the steamer "ARABIC" and in confirmation of my telephonic message I have to acquaint you that this case received the careful consideration of the Committee at their meeting yesterday and that, in the circumstances, they will not object to the vessel retaining her class for the voyage to Italy provided the Boiler Survey, which is now twelve months overdue, be carried out before she leaves Milford Haven.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
