

Lloyd's Register of Shipping.

The Lodge, Priory Road,

Milford Haven, December 11th 1931.

Dear Sir,

Your telegram of to-day received as follows:-

"ARABIC" inform new owners of representative vessels Boiler Survey to be held before leaving Milford or class will be expunged. Telegraph what arrangements made also advise office by wire should vessel leave without survey held:- Committee Fen.

The "ARABIC" is still at Milford Haven, and I am informed Lloyd's Agent there is some hitch in the purchase of the vessel which will cause delay in the vessel leaving. I propose meeting the owners representative on his arrival and I will wire the result of my inquiry after meeting him.

I am Dear Sir,

Yours faithfully,

John Stokes.
