Southampton, 12th September. 1921.

The Secretary,

LONDON,

Sir,

With reference to your letter of 9th inst, concerning the additional equipment S.S."ARABIC" we beg to inform you that the question of reclassing the vessel was in abeyance from April to July and no person was allowed on board.

The reconditioning in July was held with great dispatch and it was with extreme difficulty that the necessary particulars were obtained for the First Entry and that the additional equipment was seen by the Surveyors but no opportunity was afforded of checking the actual lengths of wires etc.,.

We are, Dear Sir,

Yours faithfully,

pro The Surveyors
