71, Fenchurch Street, E.C. 3.

9th September 1921.

Dear Sirs,

I am in receipt of your letter of the 8th instant respecting the T.S.S. "ARABIC" (your First Entry Report No. 11017), and the additional equipment reported to be on board the vessel, other than that mentioned in your First Entry Report, has been carefully noted.

It is also noted that the additional equipment referred to above has not been verified by you, and I have to state that as the ship has been under your survey from April to August last, it is not understood why this could not be done at your port before the vessel sailed for New York.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

SOUTHAMPTON.
