Dear Sir,

H. I am in receipt of your memorandum of the 26th ultimo respecting the steamer "HULLMAN" from which it is noted you have been informed by the Owners that this vessel is laid up at Quebec but that before she is again employed she will be placed in dry dock for the examination of the Screw Shaft. In reply I have to say that, in the circumstances, the Committee, who had the case before them at their meeting today are agreeable to the survey in question being postponed for the present, and I shall be glad if you will inform the Owners accordingly.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

Geo. Allan, Esq.,
MONTREAL.
