71, Fenchurch Street, E.C. 3.

9th April, 1929.

Dear Sir,

E. With reference to your Report No. 1186,  
received at this Office recently, relating to the Electric  
Installation proposed for the s.s. "TORRES GARCIA", I have  
to request that you will state whether you are correct in  
reporting that the outgoing circuits at the main switchboard  
have single pole fuses, instead of double pole fuses as  
required by Section 3, paragraph 3 b(ii) of the Rules for  
Electric Fittings.

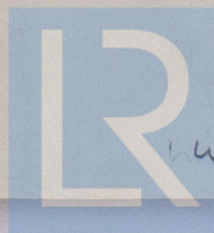

I am, Dear Sir,

Yours faithfully,

Secretary.

T. Miller, Esq.

CADIZ.
