

Lloyd's Register of Shipping,

Calle de General Menacho 9,

Cadiz, 13th. March 1929.

The Secretary,
London.

Dear Sir,

I beg to forward herewith the First Entry Reports on the Coastguard Vessel "TORRES GARCIA" which has been constructed by Sres Hijos de J. Barreras S.A., Vigo, for the Portuguese Government.

Owing to the time it takes to mail between here and Vigo and the difficulty in getting the desired information from the Builders, I am sending these reports for the Committee's consideration now instead of waiting for a further reply to enquiries regarding the tonnages etc.; it is already some time since my last visit.

The Builders request that the Certificates be sent to them direct, as soon as possible.

I am, Dear Sir,

Yours faithfully,

Thomas Miller.
