LLOYD'S REGISTER
Recd. 30 JUL 1926

ADM.

LONDON

Dear Sir

In connection with the particulars for the Launching Report of Cox & Co's Tug No 190 we shall be glad to know the date which should be assigned to the engines of the vessel.

These engines, Cox & Co's No 178th were completed & placed into stock in ~~May~~^{July} 1925. The boiler No 178^c is now completed & tested

The Engines were reported in July 1925. See Fal Report No 6422.

We are Dear Sir
Yours faithfully
The Surveyors.
