12th September, 1933.

Dear Sirs,

I am advised by the Society's Surveyors at Melbourne that they have collected the equivalent of £10:10:0 sterling in payment of the fee charged for the statement prepared by Mr. Cannon while in this country respecting the ullages and soundings of the steamer "VINCAS".

The amount named has accordingly been placed to the credit of the Curacao account in the books in this office, and I shall be glad if you will be good enough to pass the florin equivalent thereof, say Fls. 85, through your Rough Fee, Cash and Debit Books, with a note against the entry in the Cash Book to the effect that payment was received at Melbourne.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
CURACAO.

Secretary.
