The Second Special Survey No.3 became due on this vessel in August, 1932 and a proposal to carry out the same this year, probably about June, was agreed to.

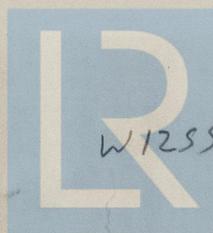

In reply to enquiry the Milford Surveyor now forwards a letter from the Owners in which it is stated that it is their intention to withdraw this ship from classification.

The year of grace expired at the end of last month.

The Classing Committee had the case before them on Tuesday, the 19th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

21st September, 1933.
