S/S "DIONI"

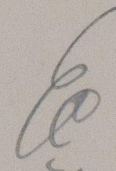

3rd ss No.1 due August, 1931

This case was before the General Committee at their meeting last Thursday, when instructions were given for the vessel's class to be expunged with a Red Line on account of non-compliance with the Society's Rules, and the posting of the Red Line in the posted Register Books is already in hand. The Supplement containing the notification regarding the expunging of this vessel's class has not yet been printed off.

The case is fully stated on the endorsement of the 10th November, attached hereto, from which it will be seen that the Owners have chartered the vessel for a voyage from Poti to Ghent, and desired that the Committee would agree to the postponement of the 3rd Special Survey No.1 until her return to Piraeus from this voyage.

A further telegram has now been received from the Society's Surveyors at Piraeus, as follows :-

"DIONI" Owners desire further Committee's consideration in this special case. Owners state S.S.No.1 will be completed on arrival at Ghent, where vessel is due 25th instant. Cable reply, matter very urgent."
