Dear Sir,

Steamer " PRESTO "

I beg to inform you that this Steamer entered Boulogne Harbour to day at noon. At 2 O'clock I went on board and saw the Owner Mr. Cappiello who told me that this vessel will not remain at Boulogne a long time enough to effect any survey and that the survey will be effected at Rotterdam where the Steamer is going to.

Consequently, I despatch back to your Office all letters concerning the Survey due on this vessel.

I have informed Monsieur Trebbmann at Dunkirk that the survey will not be done here.

I am, Dear Sir,

Faithfully Yours.
