I have to acknowledge with thanks your letter of the 28th instant respecting the case of the s.s. "PRESTO" ex "Alberto Fassini".

And LONDON

Dear Sir,

With reference to your letter of the 30th ultimo respecting the case of the s.s. "PRESTO" ex "Alberto Fassini". It has now been learned from the Owners that this vessel will arrive in Catania at the beginning of next month when all outstanding classification matters will be dealt with.

With reference to the request contained in your letter that the sum of 3/6 should be collected from the Owner for cablegram expenses it is suggested that the Genoa Surveyors be instructed to include this amount in their account which is to be rendered by them on the completion of the survey at Catania. (Applies district)

A copy of this letter has today been forwarded to the Genoa Surveyors.

I am, Dear Sir,

Yours faithfully
