Enclosure.

30th November, 1932.

Dear Sir,

I have to acknowledge the receipt of your letter of the 28th instant respecting the steamer "PRESTO", ex "Alberto Fassini" and to say that due note has been taken of the letter which you have received from the Owner, as quoted by you.

The case has been under consideration today, and in the special circumstances referred to it has been decided to agree to the Owner's request to grant permission for the vessel to proceed from Porto Ferrajo to take a charter from the Black Sea to the U.K., before completing the overdue 2nd Special Survey No.2

I cabled you this decision today, as per translation herewith, which is hereby confirmed, but I have to request you will make it clear to the Owner that no further postponement will be granted, and the Committee rely on the survey being completed after the conclusion of the voyage in question.

You will also be good enough to arrange with the Owner to advise this Office in due course at what port the remaining items of the survey will be carried out.

I am, Dear Sir,
Yours faithfully,

A. Chisholm, Esq.,
