-----

The requirements of a Special Survey No.3, due in January last (after an early S.S.No.3), have been partly complied with.

A copy of a letter from the Owners, addressed to the Society's Genoa Office, has now been forwarded intimating that, for reasons of economy, they have decided not to continue the vessel's class with this Society.

The Classing Committee had the case before them on Friday, 25th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

31st August, 1933.
