Dear Sir,

Ex-German Steamer "FRANZISKA" now "MILLUNA"

Reverting to our letters of the 31st December last and 12th ultimo, we now beg to enclose our report upon form 8 of the survey held at this Port with a view to classification.

We also return the copies of reports of previous condition survey etc. forwarded for our guidance.

It is respectfully submitted that suitable fees to be charged for this survey would be as follows -

Hull	£130
Machinery.....	£45

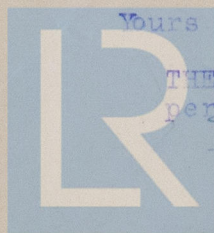

but we should be glad to receive your instructions on this point in due course. It may be added that as regards the hull survey this fee is £10 greater than was suggested in the case of the similar vessel "GERTRUD" now "MERRIWA", the increase being suggested in view of the damage repairs carried out in the present instance.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
per

The Secretary,
London.
