Messrs. Lloyd's Register of Shipping,
Via A. Depretis N° 31.
N a p l e s

We must thank you for your favour of the 31st.
and for the informations conveyed regarding our Vessels.

We have had the pleasure, in fact, to interview
your Principal Surveyor at Genoa and we reserve to take
a decision regarding the classification of our vessels
with your Society.

You know, however that, for everybody and
especially for us, it is necessary that one should be
guided by economy from which it is impossible to depart.

We shall however reserve to take up a decision
in this matter and let you have our definite reply.

With best regards,

Yours faithfully,

sgd. A. Lauro.
